Eat fresh and color local! This appetizing coloring book offers a cornucopia of hand-drawn designs that celebrate the community spirit of farmers markets with all of the charming imperfections of original chalkboard art. From seasonal veggies and artisanal bread to organic milk and just-picked flowers, these folksy market stands are overflowing with natural delights. Relax and fill them with color to create your own rustic-chic masterpiece. Each exquisite white line illustration is presented on a black background, just like a real chalkboard. You'll be delighted by the way warm colors, bright colors, neons, and lighter pastel shades really pop from these designs. Guided Coloring Pages make coloring easy for beginners, with beautifully colored examples and ready-to-use color palettes. Each design is printed on one side only of archival-grade, acid-free, 200-year paper, and perforated pages detach easily for gifting or display. This book has earned the DO Magazine Artist Fair Trade Seal of Approval.
